

Smarter Data. Lower Risk. Safer Fleets.

The Foley platform helps safety-focused companies hire faster, stay compliant, and eliminate the busywork.

Made for every size team

From owner-operators to enterprise fleets

Compliance that scales

Choose a package that fits your team today, then grow

Audit-ready, always

Automated alerts, smart filters, and expiration tracking

All-in-one platform

Access a single, user-friendly dashboard

Professional

For fleets ready to grow, Professional gives you more visibility and proactive compliance tools—without extra complexity.

It includes:

- **Driver Qualification tools** to keep files organized and audit-ready.
- DOT drug & alcohol testing with **no out-of-network fees**.
- Clearinghouse queries and mobile-friendly applications **for faster hiring**.
- MVR monitoring, CSA alerts, and FMCSA Insights to **spot risks early and track trends**.
- **Expanded background screening** to make safer, smarter hiring decisions.

Add-ons available for all plans include physicals, advanced screenings, and drug testing options.

PROFESSIONAL HELPS YOU STAY AHEAD OF RISK ISSUES WHILE
GIVING YOU THE CONFIDENCE TO SCALE.

“With Foley, I get automatically notified when a driver's license is getting ready to expire or when their DOT Physical is due for renewal. I am no longer sitting in the dark about important details about my drivers.”

Scott Duchene, Safety and Compliance Manager, Aero BridgeWorks

One platform. Everything you need.

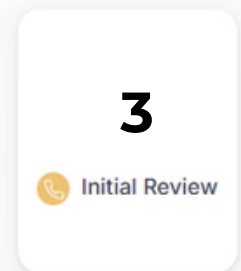

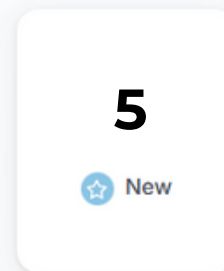

Dashboards

- **Get a quick compliance snapshot** at login with Foley's proprietary Compliance Score and FMCSA Insights
- **Monitor the candidates** moving through your onboarding pipeline.
- **View key alerts** in one place to take fast action.

Onboarding

- **Create and share jobs quickly** when you need a new driver.
- **Move candidates through the hiring funnel** faster with visibility into every stage.
- **Track which candidates are ready to work** and are fully onboarded.

Hiring Pipeline
